TOP FEATURES AT A GLANCE

BASIC CONFIGURATION

48

DYNAMIC POWER

Dimmable electronic ballasts increase your UV output per watt input by around 25%, increasing lamp life by up to 1,200 hours, helping you protect your investment.

4/3

ULTRA PERFORMANCE

4 Ultra Performance technology lamps at max. 500 watts each: glass reflector and specially coated filter glasses ensure standard-compliant tanning power combined with maximum utilisation of the lamp output!

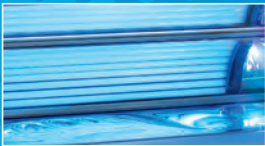

DESIGN AND FINISHES

Full power with a classy look – SOLTRON models are not only powerful, they look it too. Fresh colours, racy curves, fantastic light effects and a quality finish that catches attraction.

PLASTICISED THEME ELEMENTS

Now that's a treat for the eyes! The plasticised button in the Fresh Peppermint design guarantees a tropical cocktail feeling and accentuates the exclusive design details. Simply delightful!

MULTI RELAX BASE ACRYLIC

First-class relaxation – the ergonomically designed Body Comfort base acrylic makes tanning a relaxing experience, whether you are lying on your back or your front.

INNER LIGHTING

First impressions count: the striking interior lighting lifts your spirit from the moment you step in.

CLIMATRONIC

Refrigerated air conditioning, the luxury of a climate-controlled base acrylic – Full refrigerated air conditioning for that extra-cool effect on the base acrylic, as well as also the upper body and face – if required.

REFLEX NECK TANNER

For perfectionists, who want a good tan in the hard-to-reach neck zone.

AVS – AROMA VITALIZER SYSTEM

A wellness boost from Soltron: the Aroma Vitalizer System with aroma and freshness mist for a general feeling of well-being both during tanning and in the cubicle.

VERTICAL SHOULDER TANNER WITH 3D-SOUND-UNIT**

The high pressure shoulder tanner as an extra plus for shoulders. The Power Sound System is the ultimate sound experience, with two high-quality satellite speakers, a subwoofer, flexible volume, headphone connection and MP3 dock with Auto Play.
