

**we like X<sub>3</sub>...**

## we like a solid base

Luxura X<sub>3</sub> is how easiness is spelled: It is the strong all-round talent to enter the Luxura segment. X<sub>3</sub> displays a fresh, compact and up-to-date design that comes in different fashionable colours, so the operator can keep up with the latest trends:

- Pearl White
- Fuchsia Pink

Upgrade the Luxura X<sub>3</sub> with 'Connecting shield' to add more luxury to the sunbed. The optional 'Connecting shield plus' includes Ambient FlowLight, My MP3 and SoundBox to turn tanning into an exciting musical enjoyment.

All features that can be operated by the user, are fit into a clarifying display panel, which is easy to use.

X<sub>3</sub> Fuchsia Pink with Connecting Shield Plus

# X<sub>3</sub>

X<sub>3</sub> Fuchsia Pink with Connecting shield plus, SLi

Luxura X<sub>3</sub> comes standard with EcoPower, the electronic ballasts that not only allow the configuration of the tubes to be optimised but also generate energy savings of approximately 25%. Choose between 30 SLi, 30 SP<sub>r</sub>, 32 SLi, and 32 SLi Intensive. Depending on the configuration, face tanners vary between one and three 400-watt lamps, while the SP<sub>r</sub> version has 9 x 25 'spaghetti' tubes.

XL Light, 2-m-long tubes, expand the tanning surface to a maximum and ensure a head-to-toe tan without concessions.

X<sub>3</sub> Pearl White with Connecting shield plus, SP<sub>r</sub>

Optional central air extraction, top

"Easy clean" click-profile bench

The body cooler at the foot end is fitted as standard and ensures a pleasant temperature while tanning

## we like ideas

EasyClean click-profile makes maintenance as easy as can be: easy reach of tubes and facial filters - a fast way of cleaning and switching lamps.

The Luxura X<sub>3</sub> comes with a choice of three different decorative solutions for the connecting space between canopy and bench.

Deco caps  
'Deco caps' are fitted as standard.

Connecting shield  
In the configuration 'Connecting shield' provides a silver screen throughout the whole length of the sunbed for an integrated, unified look.

Connecting shield plus  
This version comes with a high quality decorative lighted screen. Ambient FlowLight as well as My MP3 and SoundBox are integrated.

The Luxura air-conditioning system ensures a pleasant temperature as you lie back on the ergonomically shaped reclining surface. A wonderful refreshing breeze - adjustable at different levels - gently touches body and face.

Naturally refreshing. A wonderful, gentle mist is sprayed across the body at intervals.

Wellness tanning for all the senses. Whenever a pleasant atmosphere in the tanning tunnel is desired, Xsens will distribute a wonderful scent throughout the interior of the Luxura. It's like a breath of fresh air in the fragrances Ocean, Blossom or Sandelwood. Choose between Xsens I (one fragrance for your Luxura) and Xsens III (three fragrances).

This Intelligent Power Control System guarantees, during the entire lifecycle of the tubes, an optimal output of 0,3 W/m<sup>2</sup> in conformance with the EU regulation. IP Control achieves a tube lifecycle of 1500 hours! Energy consumption of the tubes will reduce up to 25%.

The smart Bluetooth system allows tanners to easily connect their own smartphone or small tablet to the sound system for great audio experiences. This way they can instantly play their own music while tanning. No cables needed - simply play & tan.

Sound Around Plus includes My MP3, SmartVoice, Bluetooth, 4 external music channels, 4 loudspeakers, subwoofer and SD cards providing two extra internal music channels (relax music, energetic music or program your own music).

In addition to the four optional music channels from the SoundAround package, the user may plug in his own MP3 player, in order to enjoy his own favourite sounds.

A friendly voice will guide the user acoustically through the different functions. It will describe all possibilities, turning the tanning session into a veritable miniature holiday.

This facial tanner, with a single socket mounting, has a specially developed tanner-reflector combination, which ensures first-class tanning results (for X<sub>10</sub> only).

High Power System: a special filter for the SLi facial tanner. For more efficiency, direct pigmentation, and a visual mirror effect.

Balanced Power System: a special filter for the SLi facial tanner. For more efficiency, direct pigmentation, and a visual mirror effect. Especially developed for EU-type III and 0,3.

The XL tubes, which have a length of two metres, ensure an even, all-over tan.

The fading colour flow with a nearly inexhaustible range of colours provides an extra sense of atmosphere.

The electronic ballasts - integrated as standard - ensure energy savings of at least 25% (for X<sub>3</sub> only).

Feel the comfort of the ergonomically formed surface, which follows the body shape.

**Sunny certainty**

A choice for Luxura sunbeds is a choice for certainty. All the appliances meet the most stringent safety regulations and have the CE quality mark. Moreover, the appliances are carefully developed in accordance with the latest standards for tanning equipment. There's no better way to ensure responsible tanning!
